Career Objective

BTech undergraduate with expertise in HTML, CSS, BOOTSTRAP, JS, C, C++, Java & PYTHON Language and of cyber security skills. Seeking a challenging opportunity to leverage my technical expertise in Computer Science and Engineering, with a passion for innovation and problem-solving, to contribute effectively to the dynamic field of technology while continuously enhancing my skills and knowledge.

Education	Year	Percentage
BTech in Computer Science & Engineering Geeta University, Panipat	2023-2027	8.77/10 CGPA
Intermediate Bihar School Examination Board	2021	72.6%
Matriculation Jesus & Mary Academy, Darbhanga, CBSE Board	2018	7 CGPA

Internship

Web Development Intern | Corizo | Gurugram, Udyog Vihar | June,2025 -- August,2025

Role & Responsibilities:

- Developed and deployed responsive web pages using HTML, CSS, and JavaScript to enhance user experience.
- Worked on an E-commerce & Jewellery Shop website project, integrating product listings, shopping cart, and checkout functionality.
- Implemented CRUD operations and optimized website performance for smoother navigation.

Learnings & Technical Skills:

- Acquired practical knowledge of front-end and back-end web development.
- Hands-on experience with HTML, CSS, JavaScript, and responsive design principles.
- Improved skills in building dynamic and user-friendly web applications.

Python Development Intern | Geeta University | Panipat, Haryana | June,2024 -- August,2024

Role & Responsibilities:

- Developed interactive data visualizations using Plotly to analyze global development and EV adoption trends.
- Built a secure password manager application using Python and Tkinter for enhanced security and user-friendly access.

Learnings & Technical Skills:

- Gained expertise in data visualization with Plotly and data analysis techniques.
- Hands-on experience with GUI development using Tkinter and secure data handling in Python.

Project

1. Visualization of Electric Vehicle Adoption Trends (Individual)

About: Developed interactive data visualizations to analyze global trends in electric vehicle adoption.

Role: Designed and implemented data visualizations using Python and Plotly.

Technology Used: Python, Plotly, Pandas & Matplotlib.

2. Jewellery Shop Website (Group)

[Ram Ram Jewels](#)

About: Developed a fully functional jewellery website with product listings, shopping cart, and checkout system to provide seamless online shopping experience.

Role: Designed and implemented the front-end interface, integrated product management features.

Technology Used: Laravel & React Framework.

3. CRUD operations (Individual)

About: Built a CRUD (Create, Read, Update, Delete) application to manage records efficiently with real-time database interaction.

Role: Designed the UI, implemented backend logic for database operations, and ensured smooth data flow between client and server.

Technology Used: HTML, CSS, PHP, MySQL.

Technical Skills

Languages: C, C++, Python, Java

Frontend: HTML, CSS, Bootstrap, JavaScript, ReactJs

Backend: PHP(basic)

Developer Tools: VS Code, GitHub, IntelliJ Idea, Anaconda, DevC++.

Achievement and Certificates

- **Microsoft Certification:** Building with Power BI – Microsoft Learn | January 2025
- **Microsoft Certification:** Web Development using Visual Studio Code – Microsoft Learn | April 2025
- **Great Learning Certificate:** C Language – Great Learning | December 2023
- **Great Learning Certificate:** HTML – Great Learning | October 2023
- **Great Learning Certificate:** CSS – Great Learning | November 2023
- **Great Learning Certificate:** PYTHON Language – Great Learning | July 2024
- **Great Learning Certificate:** JavaScript – Great Learning | March 2024
- **Cognitive Class.ai Certificate:** Data Privacy Fundamentals – Cognitive Class.ai | November 2023
- **Geeta University :** Technical Quiz (Secured 1st Position) – Geeta University | February 2024
- **Cisco Certification:** Networking Basics – Cisco (Networking Academy) | January 2024
- **Cisco Certification:** Cyber Threat Management – Cisco (Networking Academy) | February 2024
- **NPTEL Certificate:** Elite + GOLD Badge | Critical & Philosophy Thinking – IIT Kharagpur | May 2025

Extracurricular Activities

- Engaged in coding clubs and technical workshops, enhancing teamwork and problem-solving skills.
- Represented in cricket tournaments, fostering leadership, discipline, and team spirit.
- Participated in quiz competitions & demonstrating analytical thinking.
